SCI, SSCI ve AHCI İndekslerine Giren Dergilerde Yayınlanan Makaleler

- I. Silica nanoparticle-covered Graphene Oxide as solid-phase extraction sorbent coupled with FAAS for the determination of some of heavy metals in water sample
Seval K., Akdoğan A.
International Journal of Environmental Analytical Chemistry, cilt.102, sa.19, ss.8402-8418, 2022 (SCI-Expanded)
- II. Separation of boron from geothermal waters with membrane system
Seval K., Onac C., Kaya A., Akdogan A.
Membranes, cilt.11, sa.4, 2021 (SCI-Expanded)
- III. Determination of lead and cadmium in water samples by magnetic solid-phase extraction with iron oxide@silicon oxide-graphene oxide ($Fe_3O_4@SiO_2-GO$) hybrid magnetic nanoparticles and microinjection sampling flame atomic absorption spectrometry
Baykal G., Kazan D., Seval K., Takanoglu Bulut D., Elci S. G., Divrikli U., Akdogan A.
Instrumentation Science and Technology, cilt.50, sa.3, ss.288-305, 2021 (SCI-Expanded)
